GLORY FOR THE KAMS

Win Field Meet With Hands Down—Records Broken.

With 43 points more than the combined score of their adversaries the Kams left the Boys' Field last night with colors flying and for the second time winners of the handsome cup offered in the annual track events.

It was expected from the start that the Blue and White would take the honors, but few thought that they would win by such a large margin. However, they have a fine lot of athletes and no doubt have worked hard to win the meet. Their good showing reflects credit to their managers and trainers.

The Mailes, with no school to draw from and with an entirely picked up team were second in the match scoring two more points than the Punahous. En Sue, the sturdy little ball player, carried the Green and Gold in a fine manner and proved conclusively that he is one of the fastest short distance men in the islands. By defeating Akana he made a name for himself that will be lasting in sporting circles. En Sue captured first place in both the 50 and 100-yard sprints. The first heat of the 100 was thrown out because Akana ran off his course. As there were no lines to direct the course of the runner he may be excused.

The Punahous made a very poor showing, not winning a single first. They showed lack of condition.

In all, the Kams took 11 firsts and the Mailes 2. McCandless was the bright particular star of the Kam aggregation. He captured three firsts in fine style. Wells and Scharsch, each won two firsts.

The only records that were claimed to have been broken were the 120-yard low hurdles and the shot-put. In the hurdles the previous record of 16 1-4 was lowered by Wells who made the distance in 16 flat. Jones put the shot 44 ft., 1 inch. The previous record was 42 ft., 8 inches.

There were hundreds of people present who stood in the hot sun and cheered on their favorites. The crowd was easily won over by Kamehameha and after almost every event the cheer went up: "Ray! Ray! Kamehameha!" The crowd held on to the very last and showed their interest throughout. The meet was well conducted and everyone seemed pleased with the day's entertainment.

Following is a summary of the events and the way in which they were won:

DIAMOND PICKUPS

Some Gossip of Teams And Players in Coming Season.

"Home-run" Bob White is home from San Francisco and he is very indulgent in the idea that a picked team from the Islands can wallop any team around Frisco. He informs us that both Lamloch and Russel of last year's Elk team are trying out for Oakland and have a fine chance to make good. Bob will again be seen in an Elk uniform.

Manager Richardson of the Elks has got together a fast bunch of ball tossers, and from the looks of things will make the other teams hustle to keep up. They will line up about as follows: Grady C., Hampton P., Cogswell 1st b., Vannatta 2nd b., Kaai, 3rd b., Evers ss., White lf., Kia cf., Wilder rf.

Things look somewhat blue for the Mailes, and it is not yet sure that they will put a team in the field. Manager Joe Cohen is having his troubles.

The H. A. Cs. have the same old bunch of heavy hitters. Barney Joy will probably be seen at the receiver's end this season. His pitching days are over.

The Puns are hard at work and have a long string of men to choose from. Their new catcher, Judd, is playing a good game.

Cricket Smoker.

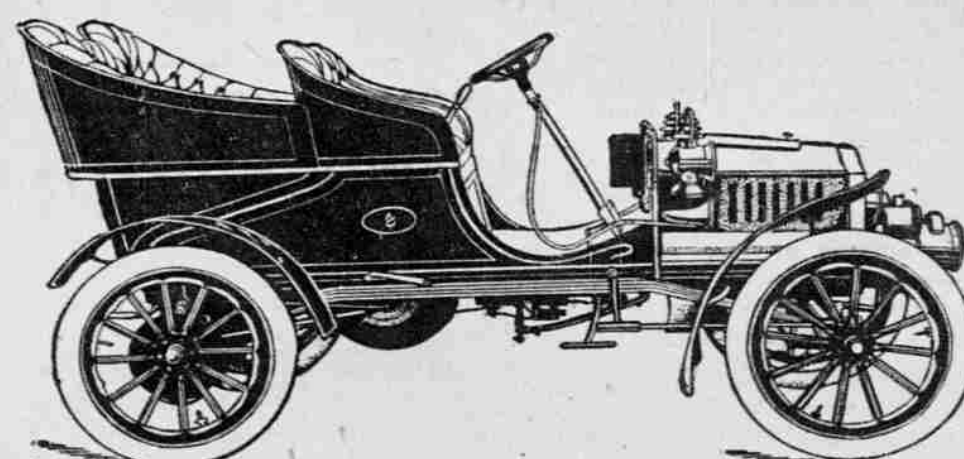

The local cricket clubs are about to give a very interesting smoker. They are working hard in preparing a program that will be well worth hearing.

YOUNG PORKER IN THE SHARK'S STOMACH

The fourteen-foot shark harpooned on Friday by Mr. Graham, a tourist, who was one of a party taken out in one of Young Bros.' launches, was opened up yesterday and in the stomach was found a young pig. The condition of the porker indicated that he had been swallowed only a short time before the shark came to his death.

"Their pay is shockingly small for some of our public officials," said the broad-minded man. "Yes," answered the cynic; "but it averages up. Some of the public officials are shockingly small for their pay."—Washington Star.

"So the specialist said you'd have to give up smoking for a while, eh?" "Yes, and he also said I'd have to give up fifteen dollars for good."—Collier's Weekly.
